Please join us on Sunday, July 11 as we Welcome
Pastor Hyo Sun Oh , to our Church Family.

A reception, with light refreshments,
will follow the worship service.

For most of us, the 4th of July will be a day of food, fireworks and maybe a parade or concert. But it can also include prayer. But, I suggest, not just any prayer. Try praying this way on Independence Day:

- **Give thanks for your freedom and favor.**

What a blessing it is to enjoy the freedoms we too often take for granted and the blessings that attend us in this country.

- **Pray for those who protect our freedom.**

Remember those who fought and died for our freedom in the past and those soldiers, sailors, police and others whose service protects us today.

- **Pray for our nation's leaders.**

Paul, the early church leader, wrote, "I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior" (1 Timothy 2:1-3, NIV). If he were writing today, Paul would probably include not only the president and other national officials but also members of Congress, governors, judges and others in positions of authority.

- **Pray for the safety of those who gather to celebrate the holiday.**

In this day and age, any large gathering presents security challenges large and small. Ask God to grant wisdom and watchfulness to planners and hosts of events—as well as the usual need for caution in handling fireworks and other seasonal hazards.

- **Remember those in oppressive or disadvantaged circumstances.**

As we express gratitude for our freedoms, we should also remember those who live in different circumstances where war, oppression, discrimination and injustice divide and dominate. Even as you rejoice in your blessings, cry out to God for those who suffer.

- **Find new freedom in forgiveness**

There is no bad time to forgive someone but there are few better times than on a day when we celebrate freedom. Take a moment to consider whether there is someone you can forgive or something in your life that you can let go. Why not include in this year's celebration a new level of freedom by shaking off the shackles of unforgiveness or regret—perhaps even seeking God's forgiveness or forgiving yourself, and experiencing the truth of

Romans 8:1-2:
"There is now no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit who gives life has set you free from the law of sin and death"

Farewell

Above: Linda Stanish presents Pastor Zaki with a Love gift from the congregation and a Shepherd's staff. Right: Pastor Zaki as he gives his final blessing to the Roselle United Methodist Church congregation.

We say, "Farewell" to Rev. Dr. Zaki L. Zaki. Pastor Zaki served Roselle UMC from July 1, 2018 to June 30, 2021. The Northern Illinois Conference appointed Rev. Dr. Zaki to fill a vacancy at Naperville: Wheatland Salem United Methodist Church, starting on July 1, 2021.

His final worship service with Roselle UMC was on Sunday, June 27. It was a moving sermon with references to his first sermon with Roselle UMC on July 4, 2018. He recalled his sermon about Kangaroos. It is believed that Kangaroos because of their skeletal structure cannot move backwards. They

can only leap forward. There were moments of laughter, and moments of tears. There was a meaning full blessing at the conclusion of the service which included the Confirmands he taught, babies he baptized and other important people in the life of Roselle UMC.

Following the worship service was a reception in Langdon

Hall, with light refreshments and cake. A microphone gave members the opportunity to speak to the congregation of special moments that he shared with them and their families. A time to say, "Thank You for caring."

Welcome

We welcome Pastor Oh as she starts her ministry with the Roselle UMC, may this be a time of coming together, learning, and praise to God. We all look forward to meeting her and her husband, Seung Woo Lee. Pastor Oh's first Sunday will be July 4th. Please join with us as we sing Praises to our Lord, as we shout with Joy to Welcome them to our church family.

The symbolic photo of Pastor Oh at the entrance to Roselle United Methodist Church, tells us that she is about to start a new ministry, with new ideas and goals, to meet all the new people she will be serving. It is also a new beginning for us. Let us seize this opportunity to come to know Our Lord and Savior better by consistent church attendance and participation in Bible studies and discussion groups.

A Welcome Reception for Pastor Oh will be held on Sunday, July 11th, following the Worship Service.

SENDING HOPE AND EMPOWERMENT AROUND THE WORLD AND AROUND THE CORNER

Midwest Mission Student Kits and Desks Sent to Honduras

Midwest Mission, through their partner Food For The Poor, sent MM Student Kits and Desks to the children of Honduras.

In a joint effort between all the people living in the area and the school, the community was able to be rebuilt. This allowed the children to return to face-to-face classes without

further delay!

The school desks and school kits were delivered successfully and the children of Honduras were able to start a new school year, which brought pure joy and excitement to

their faces!

Heydy Bu, a Food For The Poor in-country representative told Midwest Mission, "During a follow-up visit to the school, for the reopening of classes, we also managed to distribute the beautiful student desk chairs and tables that were included in this shipment. This particular school was greatly affected in both Hurricanes Eta and Iota, and they pretty much lost all of the school furniture they had."

The availability of school supplies and desks made school for these children more comfortable and functional, which makes the learning experience reassuring and positive for everyone.

If you would like to donate to Midwest Mission to help those affected by disasters around the world and around the corner, please

The Midwest Mission Distribution Center (MMDC) has many ongoing needs. They collect supplies for kits that are distributed after natural disasters: floods, hurricanes, tornadoes, earth quakes, etc.

They also supply every day need kits: personal hygiene, baby kits, school kits and more.

Check out Midwest Mission Distribution Center on line ... the Methodist Church supports their efforts financially and through volunteers. You can go down and work in the center for a few days or a week. There's lots of things to do!

Back to School

Roselle United Methodist Women, Roselle United Methodist Church and Roselle UMC Community Food Pantry are pleased to work together to help the families of the Roselle UMC Community Food Pantry prepare their children to return to school. Back-to-School supplies can be a costly expense for families in need. Fourteen school age children in Kindergarten through Fifth Grade will be returning to school this fall and we'd like to help fill their Back Packs with the supplies they need to start their school year. You can participate by buying school supplies or by donating cash or check to this effort.

If you would like to donate Cash or a Check to our Back-to-School project please make your check payable to **RUMW** (Roselle United Methodist **Women**)

Mail your donation to:

Carol Gabriel, **RUMW** Treasurer, 181 Rosedale Ct., Bloomingdale, IL 60108

RUMW will not be able to cash the checks if they are made out to RUMC. In order to expedite this project it will be necessary to have the funds available immediately, so please make your checks payable to **RUMW**.

The list is long, and each grade level has a unique list of supplies compiled by the teachers of each grade level. Teachers request that the supplies be PLAIN ... no novelty folders, no novelty spiral notebooks, no novelty pencils, just plain supplies. Many of the teachers ask for multiples of some items which are collected and shared as needed during the school year.

The RUMW will coordinate the collection and sort the supplies for each student. ALL supplies must be received by Sunday, August 1. During the week of August 2 to 6, we will prepare bags for each student according to the school supply list for their grade level. Assuming school reopens in mid-August, we will distribute the Back-to-School supplies to the Roselle UMC Community Food Pantry families on Saturday, August 7.

Please help these young students off to a successful school year with the supplies they need. If you have any questions, please call Sharon Beaver - 630-894-1457. The complete list of supplies is on page ????????. As donations are received we will keep the list updated. You can see the updated lists on the Roselle UMC eblasts. Cash donations will be used to buy some of the items in bulk from AmazonSmile.com.

Thank you for your generosity, *Sharon Beaver*

Mission and Outreach

Mission Links: Living the Beatitudes

These mission projects are linked to scripture. Jesus' blessings during his Sermon on the Mount as recounted in Matthew 5, known as the beatitudes. The projects and ministries described in Mission Links are matched with one or more beatitudes that allow the church to "advance" the cause of Christ and work for the public good. The projects

are organized to allow local churches to make a commitment to support local, regional, and international mission projects. Church members can continue to make contributions with the Rainbow Covenant designation on Giving envelopes.

The Night Ministry

The Night Ministry compassionately provides housing, health care, outreach, spiritual care and social services to adults and youth who struggle with homelessness, poverty and loneliness. The Night Ministry accepts individuals as they are and offer support as they seek to improve their lives. The Night Ministry invites others to join this hope-filled work.

Roselle UMC will be serving dinner to clients of the Night Ministry's Health Outreach Bus on Sunday evening August 8. We need donations of individual packages of chips, fruit (oranges or bananas) and bottled water. There will be a sign-up behind the parlor for food donations and/or people willing to serve the food. You can also contact Sue Wadkins to donate food items or offer volunteer help.

Caretakers of God's Creation

"The earth is the Lord's and all that is in it, the world and those that live in it." Psalm 24:1

July Mission Link donations will be sent to the Caretakers of God's Creation. The goal of this organization is to raise the awareness of Methodists as to the relationship between Christian discipleship and the care of God's creation and provide various tools by which our churches and organizations can live out their faith, given that connection. Please support this organization with your donations and prayers.

MicroCredit in Mo-Dega and Pepease, Ghana

As the Beatitudes tell us, *"Blessed are the merciful, for they will receive mercy."*

August Mission Link donations will go towards the MicroCredit in Mo-Dega and Pepease, Ghana.

The mixed farming project was set up to reduce food shortages through improved crop reduction processes and providing viable seed lands for production on an out-grower basis as well as production of animals for supply to peasant farmers. Recalling Jesus' promise to heal the sick, free the prisoner, liberate the oppressed, and feed the hungry we reach out in compassion. Please support this project with your prayers and donations.

USING YOUR SPIRITUAL GIFTS OF HELPS AND HOSPITALITY?

Do you have the Gift of Hospitality? We are resuming the coffee time after the morning worship service and are looking for volunteers to prepare and serve. A few individuals have already volunteered, but more are needed for consistent coverage on a rotating basis.

Please contact Linda Stanish – 630-310-9148 or lastanish@att.net

Do you have the Gift of Helps? Our nursery has been closed since March 2020 due to Covid, but we would like to reopen this summer. In addition to our paid attendant, we must have a second adult present in order to comply with the “Safe Gatherings” program. The second adult would not do the work of the paid attendant but would simply be a presence. We need volunteers who would work on a rotating basis, such as one Sunday per month. Is this something you could do in service to the Lord? Volunteers need to be certified by Safe Gatherings through a background check and a self-paced, on-line, training program. We also need individuals who might like working with children and youth in the future to become certified. For more information please contact Linda Stanish – 630-310-9148 or lastanish@att.net

Monday, Sept. 6 at 7:00 PM *The Gatekeepers*

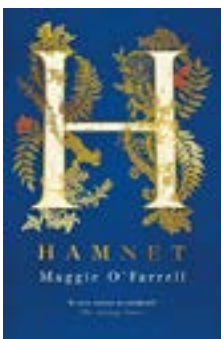

by Chris Whipple

Peabody and Emmy Award-winning documentary filmmaker Whipple chronicles the roles as well as the successes and failures of White House chiefs of staff from the Richard Nixon to Barack Obama administrations.

The modern White House chief of staff, the gatekeeper to the president and manager of White House operations, emerged during the Nixon administration. While presidents Kennedy and Johnson preferred a more decentralized system with multiple advisers, Nixon's chief, H.R. Halde- man, created a strong, focused organization that has endured for nearly a half-century. The author discusses subsequent administrations and their chiefs in chronological order.

James A. Baker III, Ronald Reagan's first chief of staff, is seen as the gold standard. Also successful were Ger- ald Ford's two chiefs, Donald Rumsfeld and Dick Cheney. Among those whose performance fell short were Hamil- ton Jordan for Jimmy Carter, Donald Regan for Reagan, and Mack McLarty for Bill Clinton. Throughout the book, Whipple identifies several variables that affect perfor- mance: presidential access and support; management style; and whether the chief serves as an honest broker, allowing all arguments on issues to be presented, or as a strict advocate. Also pivotal is whether he—all the chiefs have been men—views himself as a principal, essentially a peer of the president, or as a staff member; invariably, the former is a recipe for failure. An unusual element was added when George W. Bush's vice president, Cheney, ex- perience from White House politics during the Ford ad- ministration, was able to thwart the efforts of Bush's chief, Andrew Card. Whipple also reviews the high and low points of the past eight administrations, and he greatly enhances the narrative with his many interviews, some of which were used for a documentary he did on the subject in 2013

A well-researched, well-written review of a unique govern- ment position—informative for the general public.

Monday, Oct. 4 at 7:00 PM *Hamnet* (two covers available)

by Maggie O'Farrell

In 1580's England, during the Black Plague a young Latin tu- tor falls in love with an extraor- dinary, eccentric young woman in this exceptional historical novel.

Agnes is a wild creature who walks her family's land with a falcon on her glove and is known throughout the countryside for her unusual gifts as a healer,

understanding plants and potions better than she does people. Once she settles with her husband on Henley Street in Stratford-upon-Avon she becomes a fiercely protective mother and a steadfast, centrif- ugal force in the life of her young husband, whose career on the London stage is taking off when his beloved young son succumbs to sudden fever.

A luminous portrait of a marriage, a shattering evocation of a family ravaged by grief and loss, and a tender and unforgettable re-imagining of a boy whose life has been all but forgotten, and whose name was given to one of the most celebrated plays of all time, *Hamnet* is mesmerizing, seductive, im- possible to put down—a magnificent leap forward from one of our most gifted novelists.
